

THERE'S A KIND OF HUSH

#103

Music and Lyrics Les Reed and Geoff Stephens

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love
(You know what I mean)

Just the two of us
And nobody else in sight
There's nobody else
and I'm feeling good just holding you tight

So, listen very carefully
Get closer now and you will see what I mean... It isn't a dream
The only sound that you will hear
Is when I whisper in your ear I love you... For ever and ever

There's a kind of hush
All over the world tonight
All over the world
People just like us are falling in love

[BREAK]

So, listen very carefully
Get closer now and you will see what I mean... It isn't a dream
The only sound that you will hear
Is when I whisper in your ear I love you... For ever and ever

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love
