

I LOVE TO BOOGIE

#109

Music and Lyrics Marc Bolan

We love to boogie, we love to boogie
Jitterbug boogie, high school boogie
We love to boogie on a Saturday night

Belinda Mae Fender's got a Cadillac Bone
Jenny lost her cherry walking all the way home
The passions of the Earth blasted it's mind
Now it's ready for the moon-based grind
We love to boogie.
We love to boogie on a Saturday night

We love to boogie, we love to boogie
High school boogie, jitterbug boogie
We love to boogie on a Saturday night

[BREAK]

Rattlesnake out with your tail-feathers high
Jitterbug left and smile to the sky
A black velvet cape and a stovepipe hat
Be-bop baby, the dance is where it's at
I love to boogie
I love to boogie on a Saturday night
