

SHINE

#120

Music and Lyrics Gary Barlow, Mark Owen, Howard Donald, Steve Robson

You, you're such a big star to me
You're ev'rythin' I wanna be
But you're stuck in a hole
I want you to get out

I don't know what there is to see
I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out.

All your anticipation pulls you down
When you can have it all, you can have it all.

So come on, so come on, get it on
Don't know what you're waiting for
Your time is comin' don't be late, hey hey
So come on. See the light on your face
Let it shine, just let it shi-i-ine. Let it shine

Stop (stop) being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come around

You only have to open your eyes
You might just get a big surprise
And it may feel good
and you might want to smile, smile, smile.

Oh, don't you let your demons pull you down
Cause you can have it all, you can have it all.

So come on, |: so come on, get it on
Don't know what you're waiting for
Your time is coming don't be late, hey hey
So come on. See the light on your face
Let it shine, just let it shi-i-ine. Let it shine

Hey, let me know you (Let me know you)
You're all that matters to me (You're all that matters to me)
Hey, let me show you (Let me show you)
You're all that matters to me (You're all that matters to me) :|

***3** Hey, let me know you (Let me know you)
You're all that matters to me (You're all that matters ***4** to me)
Hey, let me show you (Let me show you)

ALL: Shine all your light over me

***3:** Shi-i-ine [**Repeat x6**]

***4:** So, come on. See the light on your face
Let it shine, just let it
