

HEAL THE WORLD

#150

Music and Lyrics Michael Jackson

There's a place in your heart and I know that it is love
And this place could be much brighter than tomorrow
And if you really try, you'll find there's no need to cry
In this place you'll feel there's no hurt or sorrow

There are ways to get there
If you care enough for the living
Make a little space
Make a better place

Heal the world. Make it a better place
For you and for me and the entire human race
There are people dying. If you care enough for the living
Make a better place for you and for me

If you want to know why there's a love that cannot lie
Love is strong. It only cares for joyful giving
If we try, we shall see in this bliss we cannot feel
Fear or dread, we stop existing and start living

Then it feels that always
Love's enough for us growing
So, make a better world
Make a better world

Heal the world. Make it a better place
For you and for me and the entire human race
There are people dying. If you care enough for the living
Make a better place for you and for me

[BREAK]

We could fly so high, let our spirits never die
In my heart I feel you are all my brothers
Create a world with no fear. Together we'll cry happy tears
See the nations turn their swords into plough-shares

We could really get there
If you care enough for the living
Make a little space
To make a better place

|: Heal the world. Make it a better place
For you and for me and the entire human race
There are people dying. If you care enough for the living
Make a better place for you and for me :| [REPEAT x2]

There are people dying. If you care enough for the living
Make a better place for you and for me
There are people dying. If you care enough for the living
Make a better place for you and for me

You and for me. (Make a better place)

You and for me. (Make a better place)

|: You and for me. (Heal the world we live in)

You and for me. (Save it for our children)

You and for me. (Heal the world we live in)

You and for me. (Save it for our children) :|

You and for me. (Heal the world we live in)
