

ANYONE FOR YOU

#153

Music and Lyrics George Ezra

Tiger-Lily moved to the city
She just turned twenty-one
(And I said), here's my number, hit me up
If you're needing anyone

I could be anyone, anyone, anyone, anyone, anyone for you
Anyone, anyone, anyone, anyone, anyone

I can love you, I could be anything you want of me
And in the darkness of the night, baby let me be your light
I can love you, I could be anything you want of me
And in the darkness of the night, baby let me be your light
Be your light. Be your light.

Well, I gave her love, but it wasn't enough
So, she called me up just to call it off
I can't afford to make that mistake this time

And if you're flying over the Serengeti
Tiger-Lily, don't forget me
The way I am, not the way I was

I could be anyone, anyone, anyone, anyone, anyone for you
Anyone, anyone, anyone, anyone, anyone

I can love you, I could be anything you want of me
And in the darkness of the night, baby let me be your light
I can love you, I could be anything you want of me
And in the darkness of the night, baby let me be your light
Be your light. Be your light.

Anyone for you

|: I can love you, I could be anything you want of me

1: I can love you, I could be anything you want of me
And in the darkness of the night, baby, let me be your light
I can love you, I could be anything you want of me
And in the darkness of the night, baby, let me be your light

2: Be your light. Be your light.
Be your light. Be your light.

ALL: Be your light. Be your light.
