

WHEN YOU'RE SMILING

#45

Music Larry Shay and Mark Fisher and Lyrics Joe Goodwin

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
The sun comes shining through

But when you're crying, you bring on the rain
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

[BREAK]

When you're crying, you bring on the rain
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole world smiles with you

When you're smiling, when you're smiling
The whole world smiles with you
When you're laughing, when you're laughing
The sun comes shining through

But when you're crying, you bring on the rain
So stop your sighing, be happy again
Keep on smiling, 'cause when you're smiling
The whole. World. Smiles with you
