

# I'LL NEVER FIND ANOTHER YOU

#76

Music and Lyrics Tom Springfield

There's a new world somewhere they call the promised land.  
And I'll be there someday, if you could hold my hand.  
I still need you there beside me, no matter what I do  
For I know I'll never find another you.

There is always someone for each of us, they say.  
And you'll be my someone forever and a day.  
I could search the whole world over until my life is through  
But I know I'll never find another you.

It's a long, long journey so stay by my side.  
When I walk through the storm  
You'll be my guide, be my guide.

If they gave me a fortune my virtue would be small.  
I could lose it all tomorrow and never mind at all.  
But if I should lose your love dear, I don't know what I'd do  
For I know I'll never find another you.

**[BREAK]** (Ooh)

But if I should lose your love dear, I don't know what I'd do.  
For I know I'll never find another you.  
Another you.  
Another you.
