

RIVER OF DREAMS

#78

Music and Lyrics Billy Joel

In the middle of the... I go walking in the...
In the middle of the... I go walking in the...
In the middle of the... I go walking in the...
In the middle of the...

In the middle of the night (Middle of the night)
I go walking in my sleep (I go walking in my sleep)
From the mountains of faith (Mountains of faith)
To a river so deep (River so deep)
I must be looking for something (Looking for something)
Something sacred I lost (Sacred I lost)
But the river is wide (Oh, it's wide)
And it's too hard to cross (Too hard to cross)

Even though I know the river is wide
I walk down every ev'ning and stand on the shore
Try to cross to the opposite side
So, I can finally find what I'm looking for

In the middle of the night (Middle of the night)
I go walking in my sleep (I go walking in my sleep)
Through the valley of fear (Valley of fear)
To a river so deep (River so deep)
I been searching for something (Searching for something)
Taken out of my soul (Taken out of my soul)
Something I would never lose (Never lose)
Something somebody stole (Something somebody stole)

I don't know why I go walking at night
But now I'm tired, I don't want to walk anymore
Hope it doesn't take the rest of my life
'Til I find what it is I'm looking for

In the middle of the night (Middle of the night)
I go walking in my sleep (I go walking in my sleep)
Through the jungle of doubt (Jungle of doubt)
To a river so deep (River so deep)
I been searching for something (Searching for something)
Something so undefined (Something undefined)
That it can only be seen (Only be seen)
By the eyes of the blind
In the middle of the night

I go walking in the... In the middle of the...
I go walking in the... In the middle of the... :|

I'm not sure about life after this
God knows I've never been a spiritual man
Baptized by the fire, I wade
Into the river, that runs to the promised land

In the middle of the night (Middle of the night)
I go walking in my sleep (I go walking in my sleep)
Through the desert of truth (Desert of truth)
To the river so deep (River so deep)
We all end in the ocean (End in the ocean)
We all start in the stream (Start. in the stream)
We're all carried along (Carried along)
By the river of dreams
In the middle of the night
